**REQUEST FOR CORRECTED FILING RECEIPT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Applicants request issuance of a new filing receipt to correct the Applicants listed on the original filing receipt and to correct the foreign and US priority claim.

If any fees are deemed necessary, the Commissioner is hereby authorized to charge the necessary fees to Marshall, Gerstein and Borun account no. 13-2855.

**Remarks** begin on page 2 of this paper.

**REMARKS**

A. Correction of Applicant

The Filing Receipt in the above application, mailed August 21, 2007, lists only INSERM (Institute Nationale de la Sante et de la Recherche Medicale) as an Applicant, when Licentia Ltd. should also be listed as an Applicant, based on the recordal of assignments below:

-Assignment of Marika Karkkainen, Kari Alitalo, and Paula Haiko to Licentia Ltd.; recorded 2/27/07, at Reel 018937, frame 0357; and Assignment of Kirsi Sainio and Kirmo Wartiovaara to Licentia Ltd, recorded 3/16/07, at Reel 019230, frame 0488; and

- Assignment of Jean Thomas and Anne Eichmann to INSERM, recorded March 21, 2007, at Reel 019226, frame 0143.

Therefore, there both INSERM and LICENTIA LTD. should be listed as Applicants.

B. Correction of Prior Application Data

On the Filing Receipt, U.S. application No. 10/669,176 is designated a foreign application when it should be properly listed under the domestic priority data. The Declaration filed April 16, 2007 lists U.S.S.N. 10/669,716 under the claim for benefit of a earlier U.S. application. Therefore, the USSN 10/669,176 should be listed in the domestic priority data.

C. Conclusion

For the above reasons, applicants request a corrected filing receipt listing both INSERM and LICENTIA LTD. as Applicants, and listing USSN 10/669,176 under domestic priority data and not as a foreign application.

Dated: September 19, 2007
